December 13, 2018

MIYIKOSIWIN (Gift) Assistance Program:

“The forms for the Miyikosiwin program have been released on the Kehewin Website, on Social Media, via email correspondence and at the front desk of the Administration Office.

The forms are looking for the recent contact information, including email addresses if you have one, and the legal documents, like identification and proof of children in your care, to update our contact database and the file system of the nation. They are handled following the Client Care and Privacy Protection. The due date to return the forms via email, fax or drop off is December 19th to receive at one of our pick up sites in Kehewin or Edmonton before the Holidays.

Chief and Council, at this time, have made no motion to decide the eligibility of the recipients of the Miyikosiwin Assistance Program.
